DIE KRAFT DER NATUR

Mit archaischen Stücken aus Holz, Stein und Eisen bringt ELEMENTS Assoziationen an Landschaften hervor und erlangt Lebendigkeit aus dem Zusammenspiel von Holz mit Glas und Metall.

Inspiriert wird die Kollektion von Naturerlebnissen, wie der Ruhe eines Schweizer Bergsees oder der Wildheit der schottischen Steilküste. Die Materialien machen die Serie zu einem Erlebnis für alle Sinne: dunkle Bruchsteinplatten auf rohen Eisenbeinen, hochwertiges Massivholz, kombiniert mit gehämmertem Eisen, fein geschnittene Halbedelsteine, strukturiertes und eingefärbtes Glas, sowie metallische Akzente verbinden sich mit eleganten, dunklen Farben.

STRENGTH FROM NATURE

Furniture made of wood, stone and iron ELEMENTS generates associations with archaic landscapes and derives its vitality from the exciting juxtaposition of wood with glass and metal. Inspiration is provided by natural experiences such as the calm of a Swiss mountain lake or the wilderness of Scotland's rocky coastline. It is all about the materials: rough stone, precious metals and high quality wood combined in elegant and dark colours.
